service.**

TRIANGLE WORLDWIDE is a dynamic Organization with a wealth of expertise in Global Freight Management. Since inception, TRIANGLE WORLDWIDE has grown from being a local freight forwarder and Customs agent in Malaysia to a fully-fledged international multi-modal global logistics service provider. TRIANGLE WORLDWIDE offers a complete one-stop shop global logistics service that encompasses all the needs from freight forwarding, Customs clearance and third-party logistics through to personalized and tailored supply-chain management.

We believe in the concept that we can give you time back to concentrate on your own core activities. Let us take the strain of your shipping and logistics movements. Trust TRIANGLE WORLDWIDE to lead you into more global markets.

Our skilled consultants can be as involved as your needs dictate; we can offer a complete global freight management consultancy service- both import and export - or simply provide a multi-modal transport service that gets your goods to or from anywhere in the world, in the required time frame.

Airfreight, Sea Freight, Import or Export, Project Movements - whatever the cargo make your first call or drop a mail to our team of dedicated specialists and consultants.

Our Services

Air Freight

TRIANGLE WORLDWIDE maintain a careful well-balanced and cohesive airfreight service by combining the resources of two teams - our Customer Services Team based at our HQ and our Operational Team based at KLIA Cargo Terminal. Working around the clock within a Customs Bonded environment, our airport team are ideally located to respond and react immediately.

Sea Freight

TRIANGLE WORLDWIDE Sea Freight team have been carefully selected due to their maritime and Customs experience coupled with an understanding of the vast complexities of the World shipping lanes and routes. Having a complete understanding of Full and Part Loads, we can respond to the many types of sea freight services associated with this region. We are equipped to handle a comprehensive range of export, transshipment, trans-loading and import services.

Transportation

TRIANGLE WORLDWIDE have their own fleet of trucks for deliveries and collections within the region of our KLIA, HQ and Port offices. Due to the diverse complexities of the client's requirements, shipment sizes and regional geography, we also have access to an extensive range of larger trucks and vehicles through our exclusive local network partners. No job is too small and our range of land transportation services is extensive
